PROFESSIONAL
EXPERIENCE

Digital Forensics Examiner

Loehrs Forensics, LLC. (Formerly Loehrs & Associates, Inc.)

Computer forensics services, particularly pertaining to legal evidence, including forensic acquisitions of digital artifacts including computers, cell phones, removable storage media, digital cameras, gaming consoles, etc.; data collection and recovery from allocated and unallocated space; data analysis and conclusions regarding who, what, when, where and how data came to be on an artifact; and detailed reporting of conclusions and analysis.

PROFESSIONAL
MEMBERSHIPS

International Society of Forensic Computer Examiners (ISFCE)

The ISFCE is an internationally recognized organization that conducts research and development into new and emerging technologies and methods in the science of computer forensics. ISFCE has certified over 1700 individuals across 28 countries. Accessible to candidates worldwide, the CCE has become widely accepted as a prerequisite certification for forensic examiners, recognized by industry professionals and academic institutions alike. The CCE certification is widely considered to be the most prestigious non-vendor specific forensic certification available.

National Association of Public Defense (NAPD)

Organizational Membership

The National Association for Public Defense (NAPD) engages all public defense professionals into a clear and focused voice to address the systemic failure to provide the constitutional right to counsel, and to collaborate with diverse partners for solutions that bring meaningful access to justice for all. NAPD currently unites nearly 7,000 practitioner-members across the country into a cohesive, unwavering, irrepressible community capable of bringing justice to a broken system.

Scientific Working Group on Digital Evidence (SWGDE)

Forensic Committee Member

Formed in 1998, the Scientific Working Group on Digital Evidence is a non-profit organization comprised of a maximum of 100 elected members from law enforcement, academic, legal, and private organizations actively engaged in the field of digital forensics to develop cross-disciplinary guidelines and standards for the recovery, preservation, and examination of digital evidence.

Forensic Expert Witness Association (FEWA)

Arizona Chapter Professional Member

The Forensic Expert Witness Association (FEWA) is the only non-profit professional membership organization that verifies that each of its professional members has testified at least three times as an expert witness. FEWA is dedicated to the professional development, ethics and promotion of forensic consultants in all fields of discipline. FEWA provides professional education for experts of all levels of experience and also for those aspiring to be experts who have not yet testified, which spans all technical specialties.
